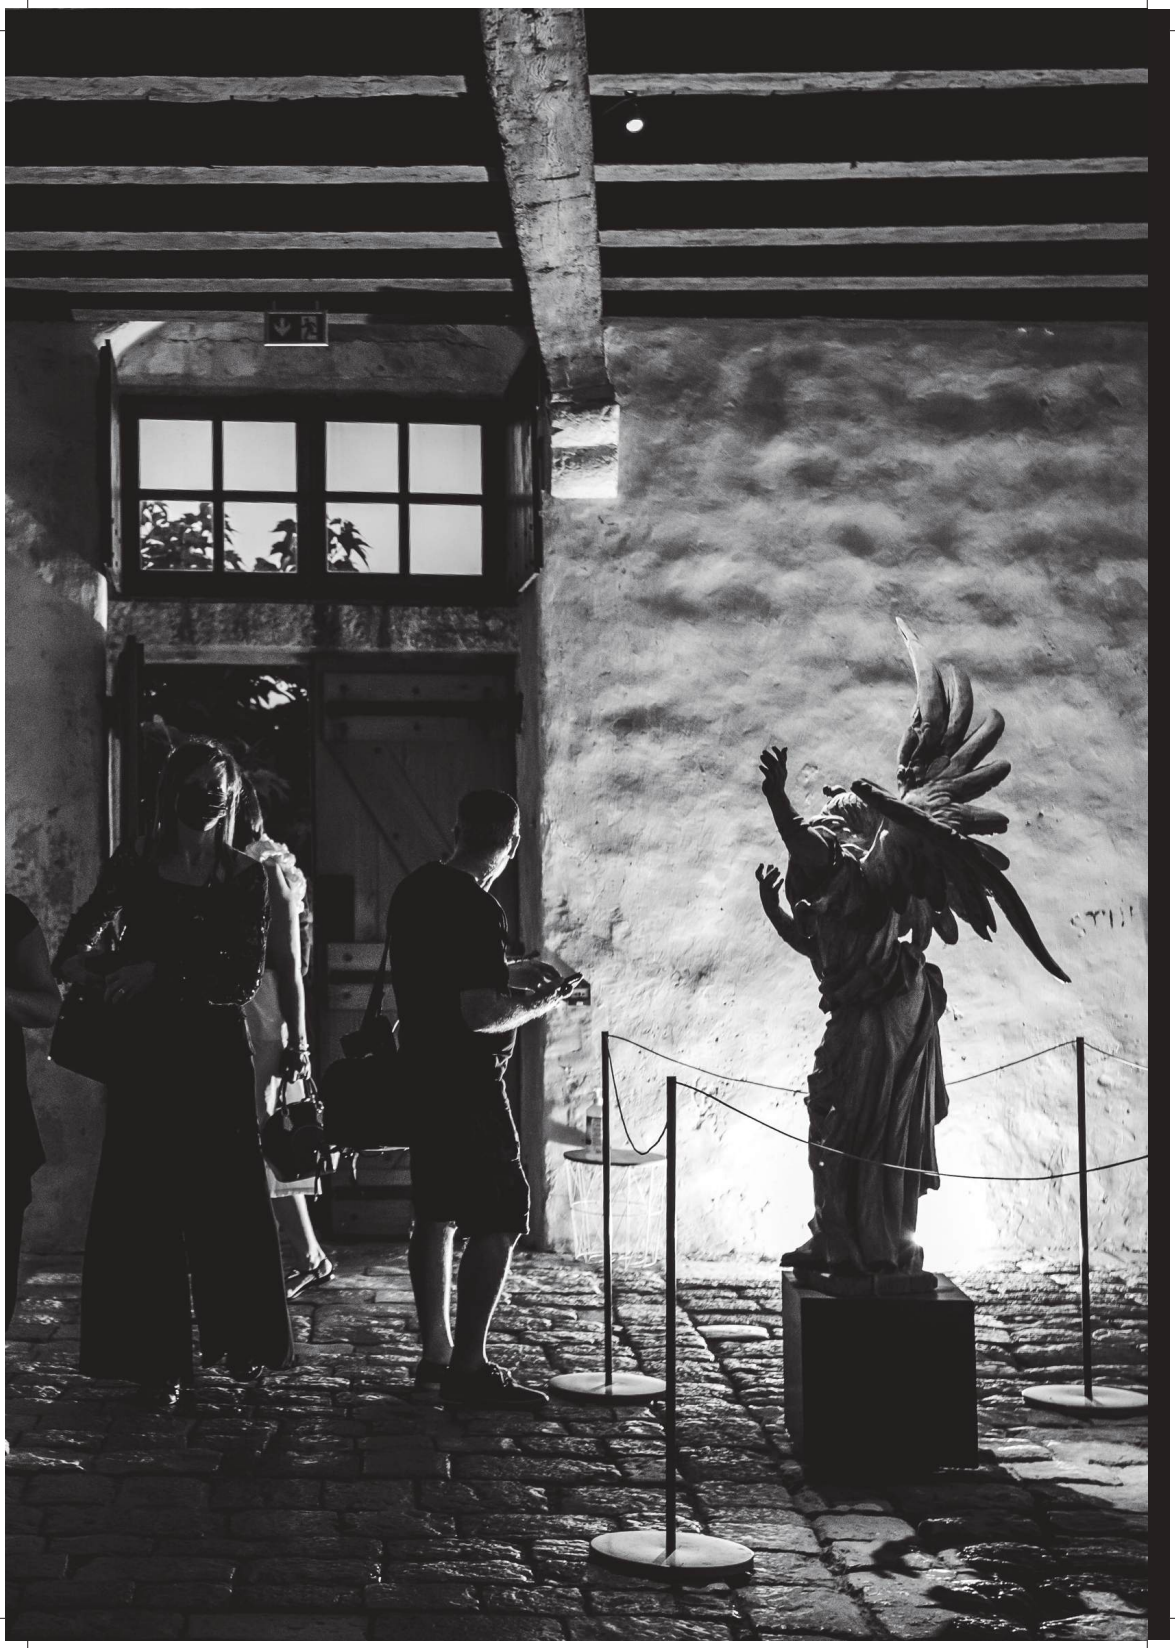
PONTA LOPUD JAZZ FESTI-VAL

31/8 - 2/9/2023



Dobro nam došli na 1. izdanje Ponta Lopud Jazz festivala!

Inspirativno ozračje Lopuda za umjetnike i kreativce, nakon filmskih velikana koji vladaju otokom u lipnju dovodi nam vrhunske jazz glazbenike, koji će početkom rujna tijekom tri intenzivna dana razmjene znanja, iskustava i nota, napuniti lopudsku valu jazz ritmom.

Jazz master u rezidenciji Joe Lovano i vrhunski umjetnici poput Antonija Sáncheza i Davida Sáncheza sa svojim bendovima te duo Obradović-Tixier vodit će majstorske tečajeve za svoje mlađe kolege tijekom dana, a nakon zalaska sunca svoju će glazbu poklanjati željnoj publici u najljepšem ambijentu vrta Hotela Grand.

Svoju dobrodošlicu umjetnicima Lopud i Lopuđani pokazuju širom raširenih ruku, svjesni da Ponta Lopud donosi nove dodatne vrijednosti razvoju i imidžu otoka.

Ta sinergija između Lopuda i umjetnosti sve više dobiva i svoju međunarodnu prepoznatljivost te smo posebno počašćeni što je kantautorica nominirana za nagradu Grammy i predivna osoba, Thana Alexa, odabrala upravo naš Lopud za svoj festival.

Čekamo Vas na Ponta Lopud Jazzu od 31. kolovoza do 2. rujna. Dobro nam došli!

Tilda Grossel Bogdanović, suosnivačica

Welcome to the 1st edition of the Ponta Lopud Jazz Festival!

Amidst the inspiring ambience of Lopud, cherished by artists and creative souls alike, and following the attendance of giants from the film industry in June, we now welcome world class jazz musicians to infuse the island bay with soul and rhythm during an exhilarating three days at the beginning of September. This vibrant event will inspire listeners and also foster a dynamic exchange of knowledge and experiences between artists.

Jazz Master in Residence Joe Lovano and distinguished artists like Antonio Sánchez and David Sánchez with their respective bands, and the Obradović-Tixier Duo will lead masterclasses for their colleagues throughout the day. As the sun sets, they will share their ground-breaking music with an eager audience in the enchanting ambience of the Grand Hotel's garden.

The welcoming spirit of Lopud and its residents wholeheartedly embraces our artists, acknowledging the valuable contributions that Ponta Lopud brings to the island's development and image.

This synergy between Lopud and art continues to gain international recognition, and we are especially honoured that the Grammy-nominated singer-songwriter and wonderful soul, Thana Alexa, has chosen Lopud for her festival.

Welcome to the Ponta Lopud Jazz from August 31 to September 2!

Tilda Grossel Bogdanović, co-founder

Ponta Lopud Jazz nastao je zbog važnosti jazza kao žanra na globalnoj razini i njegove moći povezivanja ljudi kroz slobodu izražavanja. Iako je rođen u New Orleansu početkom 20. stoljeća, njegove korijene pronalazimo u europskim i afričkim stilovima glazbe. Ovaj se glazbeni žanr proširio po cijelom svijetu, pa je preuzimajući čitav niz raznovrsnih zvukova i stilova postao univerzalnim jezikom izraza, inkluzije i slobode.

Godinama sam sanjala da ću moći sudjelovati na jazz festivalu svjetske klase u dubrovačkoj regiji. Nakon posjete prvom Ponta Lopud filmskom festivalu, bila sam toliko impresionirana visokom razinom produkcije, organizacije i međunarodnog uspjeha koji su ostvarili Tilda Grossel Bogdanović i Miro Purivatra, da sam se Tildi obratila s idejom da organiziramo vlastiti jazz festival. S obzirom da izvan Hrvatske živim i radim već skoro dvadeset godina, imala sam sreću pronaći inspiraciju i vodstvo kod nekih od najboljih glazbenika jazz žanra. Organizacija ovog festivala pruža mi priliku da podijelim stečeno znanje i tako doprinesem bogatstvu muziciranja u regiji. Osim toga, uzimajući u obzir teškoće kroz koje su svi umjetnici prošli tijekom pandemije, jedan od mojih ciljeva je kroz ovu dragocjenu interakciju pružiti iznimno talentiranim i motiviranim umjetnicima glazbeno, intelektualno i duhovno iskustvo od zajedničke koristi.

Thana Alexa, umjetnička ravnateljica i suosnivačica Ponta Lopud Jazza

Ponta Lopud Jazz was conceived because of the global importance of the jazz genre and its power to connect people through freedom of expression. While jazz was born in New Orleans at the beginning of the 20th century, its roots can be found in both European and African styles of music. The genre has branched out across the world adopting a variety of different sounds and styles to become a universal language of inclusion and freedom.

For years, I have dreamed of being able to attend a world-class jazz festival in the Dubrovnik region. After attending the first year of the Ponta Lopud Film Festival, I was so impressed by the high level of production, organization, and international reach achieved by Tilda Grossel Bogdanović and Miro Purivatra that I approached Tilda with the idea of organizing our own jazz festival. Having spent nearly 20 years living and working abroad, I have been fortunate to find inspiration and guidance from some of the best jazz musicians in the genre. Organizing this festival gives me an opportunity to share that knowledge and contribute to the wealth of musicianship we have in our region. Moreover, considering the hardships that all artists endured during the pandemic, part of my aim is to provide these exceptionally talented and motivated artists with a musical, intellectual, and spiritual experience that will be mutually beneficial through this meaningful interaction.

Thana Alexa, artistic director and co-founder of Ponta Lopud Jazz

Na ovom majstorskom tečaju Joe Lovano i David Sanchez izvest će slobodnu improvizaciju kao duo, nakon čega će uslijediti razgovor o pojedinačnim pogledima na tenor saksofon i kako su vlastito kulturno naslijeđe integrirali u jazz / američku crnačku glazbu.

2/9/23

MAJSTORSKI TEČAJ 1 ANTONIO SÁNCHEZ: PRIPOVIJEDANJE KROZ GLAZBU

Pripovijedanje je jedan od najvažnijih aspekata glazbe. Ono je dio vezivnog tkiva koje povezuje umjetnika s publikom. Kroz razgovor na ovom majstorskom tečaju polaznici će steći neophodne alate koje svi glazbenici – bez obzira na instrument, stil ili razinu na kojoj se nalaze – mogu koristiti za organiziranje svojih misli kroz glazbu i početi pripovijedati vlastite priče. Ti alati, kao što su razvijanje motiva, korištenje prostora, dinamika i namjera, ključni su za svakog umjetnika koji svoje glazbene ideje želi prenijeti na snažan i jasan način.

MASTERCLASS 1 ANTONIO SÁNCHEZ: STORYTELLING THROUGH MUSIC

Storytelling is one of the most important aspects of music. It's part of the tissue that connects the artist to the audience. This masterclass discussion provides the must-have tools that all musicians - regardless of what instrument, style or level they find themselves in - can use to organize their thoughts musically to start telling their own stories. Tools such as motivic development, use of space, dynamics and intention are essential for any artist to communicate their musical ideas in a strong and clear way.

EVENING JAM SESSION & CLOSING PARTY

31. kolovoza / August 31st

DAVID SÁNCHEZ GROUP

Prihvaćajući poziv za nastup na prvom Ponta Lopud Jazz festivalu, saksofonist i dobitnik Grammyja David Sánchez, odlučio je pripremiti nešto posebno za ovu prigodu. Uz dugogodišnje suradnike Luisa Perdoma (klavir) i Rickya Rodrigueza (bas), sastav će izvesti kompaktnu adaptaciju suvremenog ansambla panafričke glazbe koja vuče korijene iz afro-portorikanske glazbe, uz afro-karipsku perspektivu. Miješajući kompozicije sa svog albuma CARIB, nominiranog za nagradu Grammy, i uvodeći tradicionalne udaraljke i ritmičke elemente iz rodnog Portorika, Sánchez će također pozvati svog kolegu umjetnika s festivala i bivšeg člana sastava, Antonia Sáncheza, da mu se kao poseban gost pridruži na bubnjevima.

Upon accepting the invitation to perform at the first Ponta Lopud Jazz Festival, Grammy award-winning saxophonist David Sánchez decided to put something special together for the occasion. Along with longtime collaborators Luis Perdomo (piano) and Ricky Rodriguez (bass), the group will perform a compact adaptation of a contemporary Pan-African Roots Music ensemble rooted in Afro-Puerto Rican music, with an Afro-Caribbean perspective. Mixing compositions from his Grammy-nominated album CARIB and incorporating traditional percussion instruments and rhythmic elements from his native Puerto Rico, Sanchez will also invite fellow festival artist and former band member, Antonio Sánchez, to perform with his group as a special guest on drums.

1. rujna / September 1st

OBRADOVIĆ & TIXIER DUO

Duo Obradović-Tixier dvočlani je sastav koji vode francuski pijanist David Tixier i hrvatska bubnjarica Lada Obradović. Duo proizvodi suvremen i elegantan zvuk u kojem spaja akustične i elektroničke instrumente, moog sintesajzer, fender rhodes, glockenspiel, mbiru i druge instrumente. Njihov je nastup vrlo dojmljiva izvedba u kojoj se profinjene Davidove harmonije i lirska drama isprepliću s Ladinom poliritmijom. Gotovo serijska, šamanska klavirska fraza digitalno je prigušena dok udarci činela odvode slušatelje u neku drugu dimenziju poput udaraca krila ptice koja leti zrakom. Duo tako zajednički pripovijeda očaravajuću priču. David Tixier zadužen je za klavijature, DSP i kompoziciju, a Lada Obradović za bubnjeve, vokal, udaraljke, glockenspiel i također kompoziciju.

Obradovic-Tixier Duo is a group co-led by French pianist David Tixier and Croatian drummer Lada Obradovic. The duo produces a contemporary and stylish sound blending acoustic and electronic instruments, moog, Fender Rhodes, glockenspiel, mbira and other playthings. Their show is a striking performance where David's sophisticated harmonies and lyrical drama interweave with Lada's polyrhythms. An almost serial shamanic piano phrase is muffled by digital blankets whilst a volley of cymbals whisks the listeners away like wings beating through the air. Together, the pair weave a captivating tale. David Tixier contributes piano, keyboards, DSP, and compositions while Lada Obradovic contributes drums, voice, toys, glockenspiel, and compositions.

2. rujna / September 2nd

ANTONIO SÁNCHEZ AND BAD HOMBRE

U proljeće 2022. kuća Warner Bros Records objavila je album SHIFT (Bad Hombre Vol. 2) četverostrukog dobitnika Grammyja Antonija Sáncheza. Dugo iščekivani album rezultat je Sánchezove suradnje s umjetnicima poput Trenta Reznora (Nine Inch Nails), Lile Downs, Meshell Ndegeocello, Davea Matthewsa i drugih. Ukratko, SHIFT (hrv. pomak) je zbirka kompozicija iz opusa internacionalnih glazbenika i tekstopisaca koje Sánchez iznimno cijeni – umjetnika koji su mu povjerili svoje pjesme da bi ih nanovo osmislio te, zahvaljujući svojim brojnim talentima (skladatelj, multi-instrumentalist, miks-majstor i producent), vlastitim obradama učinio svojevrstan „pomak". Kao jedan od najutjecajnijih i najsvestranijih bubnjara na svijetu, Sánchez na albumu SHIFT svira i gitaru, klavijature te stvara tzv. elektronički zvukovni krajolik (eng. soundscape). SHIFT će uživo izvoditi pjevačica i looping umjetnica Thana Alexa (Hrvatska/SAD), BIGYUKI (Japan) na klavijaturama, Lex Sadler (Australija) na bas-gitari i Sánchez (Meksiko) na bubnjevima.

In August 2022 Warner Bros Records released SHIFT (Bad Hombre Vol 2) from 4x Grammy-winning drummer Antonio Sánchez. The much-anticipated recording features Sanchez collaborating with artists ranging from Trent Reznor (Nine Inch Nails) to Lila Downs, from Meshell Ndegeocello to Dave Matthews and more. In short, SHIFT is a collection of songs from a spectrum of international singer-songwriters Sánchez greatly admires — artists who entrusted Sanchez with their recordings for him to reimagine and "shift" through his genre-bending talents as a composer, multi-instrumentalist, mixer and producer. Among the most influential and versatile drummers in the world, Sánchez also provides guitars, keyboards, and electronic soundscapes on SHIFT. In live performance, SHIFT will be rendered by vocalist and looping artist Thana Alexa (Croatia/ USA), BIGYUKI (Japan) on keyboards, Lex Sadler (Australia) on bass and Sánchez (Mexico) on drums.

**"Zamislite treći album Trija Tapestry za ECM kao intenzivno iskustvo slušanja koje duboko oplemenjuje, poput mjesta za bogoslužje u zoru. (...)
Kao pravi istraživači po prirodi, Trio Tapestry (troje, sveti broj) nadograđuje svoju početnu premisu i, pomoću Lovanovog introspektivnog izričaja, stvara prostor u kojem je tišina nagrada."**

***Mike Jurkovic, allaboutjazz.com,* 2023.**

"Lovano je jazz-inačica Georgea Clooneya ili Jeffa Bridgesa, glazbenik pun života koji baš svaki put pruža izvedbu vrijednu nagrada." –

MENTOR: ANTONIO SÁNCHEZ
(bubnjevi/drums, Mexico/USA)

Četverostruki dobitnik nagrade Grammy Antonio Sánchez (Ciudad de México, 1971.) u dobi od pet godina počeo je svirati bubnjeve, a već u ranoj tinejdžerskoj dobi profesionalno je nastupao na meksičkoj rock-, jazz- i latino sceni. Studirao je klasični klavir na Nacionalnom konzervatoriju u Meksiku, nakon čega je 1993. upisao Berklee College of Music i New England Conservatory, gdje je diplomirao jazz magna cum laude. Nakon što se 1999. preselio u New York, Sánchez je postao jedan od najtraženijih bubnjara na međunarodnoj jazz sceni. Bio je najbliži suradnik Pata Methenyja tijekom posljednjih 20 godina, a nastupao je i s nekima od najistaknutijih glazbenih umjetnika kao što su Chick Corea, Gary Burton, Michael Brecker, Charlie Haden, Bela Fleck, James Taylor i Dave Matthews.
Kao vođa sastava i solo izvođač potpisuje desetak albuma, uključujući Bad Hombre, nominiran za nagradu Grammy 2018. Sánchezova popularnost naglo je porasla 2014. kada ga je Alejandro González Iñárritu pozvao da sklada glazbu za njegov film Birdman: Neočekivana vizija postojanja. Ona mu je donijela nagradu Grammy te nominaciju za Zlatni globus za najbolju originalnu glazbu. Sánchez je dobitnik i triju nagrada ECHO; nominacije za nagradu BAFTA, a časopis Modern Drummer triput ga je proglasio jazz bubnjarom godine.
Na svojem najnovijem albumu SHIFT (Bad Hombre vol. II), za Warner Music, Sánchez svira gotovo sve instrumente i preuzima ulogu producenta. Među gostima na albumu našli su se Trent Raznor, Dave Matthews, Kimbra, Ana Tijoux, Meshell Ndegeocello i mnogi drugi.

Four-time Grammy Award winner Antonio Sanchez (b. 1971, Mexico City), began playing the drums at age five and performed professionally in his early teens in Mexico's rock, jazz and Latin scenes. He pursued a degree in classical piano at the National Conservatory in Mexico and in 1993 enrolled in Berklee College of Music and New England Conservatory, where he graduated Magna Cum Laude in Jazz Studies. Since moving to New York City in 1999, Antonio has become one of the most sought-after drummers on the international jazz scene. He has been Pat Metheny's closest collaborator over the last 20 years and has performed with some of the most prominent artists in music including Chick Corea, Gary Burton, Michael Brecker, Charlie Haden, Bela Fleck, James Taylor and Dave Matthews.
As a leader/solo artist, he has close to a dozen albums under his name including the 2018 Grammy-nominated Bad Hombre. In 2014 Sanchez's popularity soared when he was summoned to score for Alejandro González Iñárritu's Birdman or (The Unexpected Virtue of Ignorance). The score earned him a Grammy Award and a Golden Globe nomination for Best Original Score.

Sánchez is also the recipient three Echo Awards, BAFTA nominations and has been thrice named Modern Drummer's "Jazz Drummer of the Year". Sánchez's new album SHIFT (Bad Hombre Vol. II) on Warner Music features Sánchez playing virtually every instrument on the album — in addition to being its producer. SHIFT features Trent Reznor, Dave Mathews, Kimbra, Ana Tijoux, Meshell Ndegeocello and many others.

"Mr. Sánchez emerged as one of the standout jazz drummers on the contemporary scene, a polyrhythmic ace attuned to the subtlest dynamic fluctuations."

The New York Times

"…. It is thrilling to get on the bandstand with him every night. You just can't wait to play with him."

Pat Metheny

"G. Sánchez nametnuo se kao izniman jazz bubnjar na suvremenoj sceni, poliritamski as s izvanrednim osjećajem za najsuptilnije dinamičke fluktuacije."

The New York Times

"Uzbudljivo je svake večeri s njim stati na pozornicu. Jednostavno ne možete dočekati da s njim zasvirate."

Pat Metheny

MENTOR: THANA ALEXA
(vokal /voice, Croatia/USA)

"Glas Thane Alexe sadržava čitav svijet zvukova. (...) Dok je slušamo, čini nam se kao da svjedočimo oluji ili promatramo divljeg jastreba u letu. Ne samo da pjeva, već svoj glas koristi kao precizan ekspresivni instrument, na isti način na koji se svi tonovi i elektronika oblikuju u cjelinu koja izmiče žanrovskom definiranju."

Geno Thackara, AllAboutJazz.com

"Thana Alexa's voice contains a world of sound. (...) Hearing her is like watching a thunderstorm or maybe a wild hawk in flight. She doesn't just sing but uses her voice as an expressive precision instrument, in much the same way all the tones and electronics here are sculpted into an unclassifiably genre-defying whole."

Geno Thackara, AllAboutJazz.com

Vokalistica, skladateljica i producentica Thana Alexa (New York, 1987.) umjetnica je nevjerojatne stvaralačke energije. ELAFITI I LOPUD

Sjeverozapadno od Dubrovnika nalaze se Elafiti, arhipelag s 8 većih i 5 manjih otoka. Samo su tri otoka naseljena: Šipan, Lopud i Koločep. Pokrivaju ih guste šume alepskog bora i makije, a povezani su Dubrovnikom redovnom linijom nacionalne tvrtke Jadrolinija.
Površinom od 4,63 km2, Lopud je otok s oko 270 stalnih stanovnika i 2 584 sunčanih sati godišnje. Uz obalu rastu palme, a oko kuća su maslinici i nasadi citrusa.

THE ELAPHITES AND LOPUD

Northwest of Dubrovnik lie the Elaphites, an archipelago comprising 8 larger and 5 smallerislands. Only 3 are inhabited: Šipan, Lopud, and Koločep. They are covered with dense forests of Aleppo pine and maquis and connected to Dubrovnik by regular ferry lines operated by the Jadrolinija national company.
With an area of 4.63 km2, Lopud is an island with some 270 permanent residents and 2,584 hours of sunshine annually. Along the seafront there are palm trees, while olive groves and citrus orchards encircle the houses.

Lopud je kao ljetovalište poznat od 19. stoljeća. Hotel Grand, poznatog arhitekta Nikole Dobrovića, označava početak suvremenog turizma na otoku, no nažalost još uvijek čeka obnovu. Uz dvije pješčane plaže – u središtu naselja i popularne plaže Šunj s druge strane otoka, nekoliko je manjih šljunčanih i stjenovitih te uređena plaža hotela RMH Lopud Lafodia Resort & Wellness.

Panoramom dominira Franjevački samostan iz 16. stoljeća. To velebno zdanje (Lopud 1483) restaurirala je obitelj Thyssen-Bornemisza i u njemu čuva djela suvremene umjetnosti iz svoje zbirke, a nudi i ekskluzivan smještaj. Na otoku je i novoobnovljeni Knežev dvor, a možete prošetati i do najviše točke - utvrde Sutvrač iz 1563. Posjetite i umjetnički paviljon Your Black Horizon autora O. Eliassona i D. Adjayea, podešen za specifične svjetlosne uvjete Lopuda i park Đorđić-Mayneri s botaničkim vrtom.

Lopud has been a popular holiday destination since the 19th century. The Grand Hotel, designed by the renowned architect Nikola Dobrović, marked the beginning of the island's modern tourism, but sadly, still awaits renovation. In addition to two sandy beaches—one in the centre and the popular Šunj beach on the other side of the island—there are several pebble and rocky beaches, and the large beach of the RMH Lopud Lafodia Resort & Wellness.

Dominating the panorama is the 16th-century Franciscan Monastery. The majestic structure (Lopud 1483) was restored by the Thyssen-Bornemisza family, who also display contemporary art and offer exclusive accommodation. There is also the newly renovated Rector's Palace, and visitors can hike to the highest point—the Sutvrač fortress from 1563. Don't miss "Your Black Horizon", an art pavilion by O. Eliasson and D. Adjaye, designed to interact with Lopud's unique light conditions, and the Đorđić-Mayneri Park with its botanical garden.
